The following categories are exclusively reserved to the jury

The jury gathering experts in interior design, architecture, landscape architecture, industrial design or communications (advertising or graphic design), will choose the awards' winners.

New talent Award

The jury rewards an emerging designer or architect with no more than five-year experience.

All new talent designers who register a project in the categories 1 to 15 are eligible without any registration fee.

Winners will be selected by the jury among the participants.

Student Award

Project of the year

Jury's favourite project within all categories.

No registration fee.

Any participating designer is eligible by default. The winners will be selected by the jury among the participants.

Prix hommage

The jury rewards a designer or an architect whose career contributed to the recognition and acknowledgement of Québec's design.

** If the jury deems it necessary, projects may be evaluated in categories other than those indicated on the registration form. The jury reserves the right to modify or regroup certain categories.*
